

Directions to MEG North America

If you are driving:

Enter on Gateway Drive – Pink arrow. Note that you cannot turn left here from Wisconsin Ave/MD-355, and you'll have to make a U-turn at South Drive. There is a large parking deck here for visitors (MLP-11), we recommend you park there and walk onto campus through the gateway center.

If you are taking Metro

The metro station exit is adjacent to the NIH Gateway Center, follow those signs to get your ID checked and a temporary badge.

Directions to Day 1 meetings:

From the Gateway center, Proceed down South drive. You'll follow this road until you are next to the South entrance of the Clinical Center, Building 10 – Yellow Circle. This is the largest building on campus and should be easy to spot. Go inside the main lobby, and there will be corridors off the back of the lobby on the left and right. They both go to the same place. Keep walking past the elevators, and you'll see a coffee shop and bookstore on the right. Just past the bookstore, turn right to reach the FAES terrace, where registration will be set up.

Directions to Day 2 meetings:

From the Gateway center, keep going down South Drive to reach Building 35 (You can also cut through on footpaths between the buildings, marked in green on the map above). Building 35 has a lower and an upper entrance. Enter the lower entrance and you will be in the atrium, where we will have registration set up.
